

LIGHTEN UP

with Lightweight Steel Replacement Manhole Cover and Adaptor

Convert heavy steel to lightweight covers in 3 easy steps:

- 1 Place the order
- 2 Remove the steel cover
- 3 Lay in adaptor and cover

- ✓ *Custom fit*
- ✓ *No concrete work required*
- ✓ *No disruption of service*
- ✓ *Ergonomically beneficial*

Lightweight Cover Features

- High strength elastic protective coating (even at low temperatures!)
- Exceptional barrier against moisture and chemicals
- Strong surface adhesion characteristics—won't peel or separate
- Slip-resistant surface
- Extended service life
- Durable handle serves as lift lug
