

Remote Strobe Features

- Compact rotating warning light
- Single retaining screw allows for quick and easy access for inspection and relamping
- Water-resistant
- Indoor and outdoor applications

Remote Horn Features

- Produces a loud horn tone by the electro-mechanical vibration of a diaphragm (100dB at 10 feet)
- Excellent for general alarm in areas of high ambient noise levels
- Enclosed in a zinc die-cast housing and sealed with grey powder-coat paint
- Compact size and heavy-duty construction

Remote Horn with Strobe Features

- Units can either independently or simultaneously wired with the audible device
- Recommended for use in industrial applications and situations where effective visual warning is needed
- Compact size
- Indoor and outdoor applications

Conduit Junction Housing Features

- Act as pull and splice boxes
- Connect lengths of conduit
- Provide access to connectors for maintenance and future changes
- Act as pull outlets for connectors being installed
- ½" conduit connection
