

A Product Reference Guide for the **USDA Higher Blends Infrastructure Incentive Program**

In May 2020, the United States Department of Agriculture (USDA) announced the availability of up to \$100 million in competitive grants to eligible entities for activities designed to expand the sales and use of renewable fuels under the Higher Blends Infrastructure Incentive Program (HBIIP).

Application: <https://www.rd.usda.gov/programs-services/higher-blends-infrastructure-incentive-program>

Deadline: August 13, 2020

Eligible items for grant money include:

- tank gauging
- spill containment
- overfill equipment
- valves
- vents

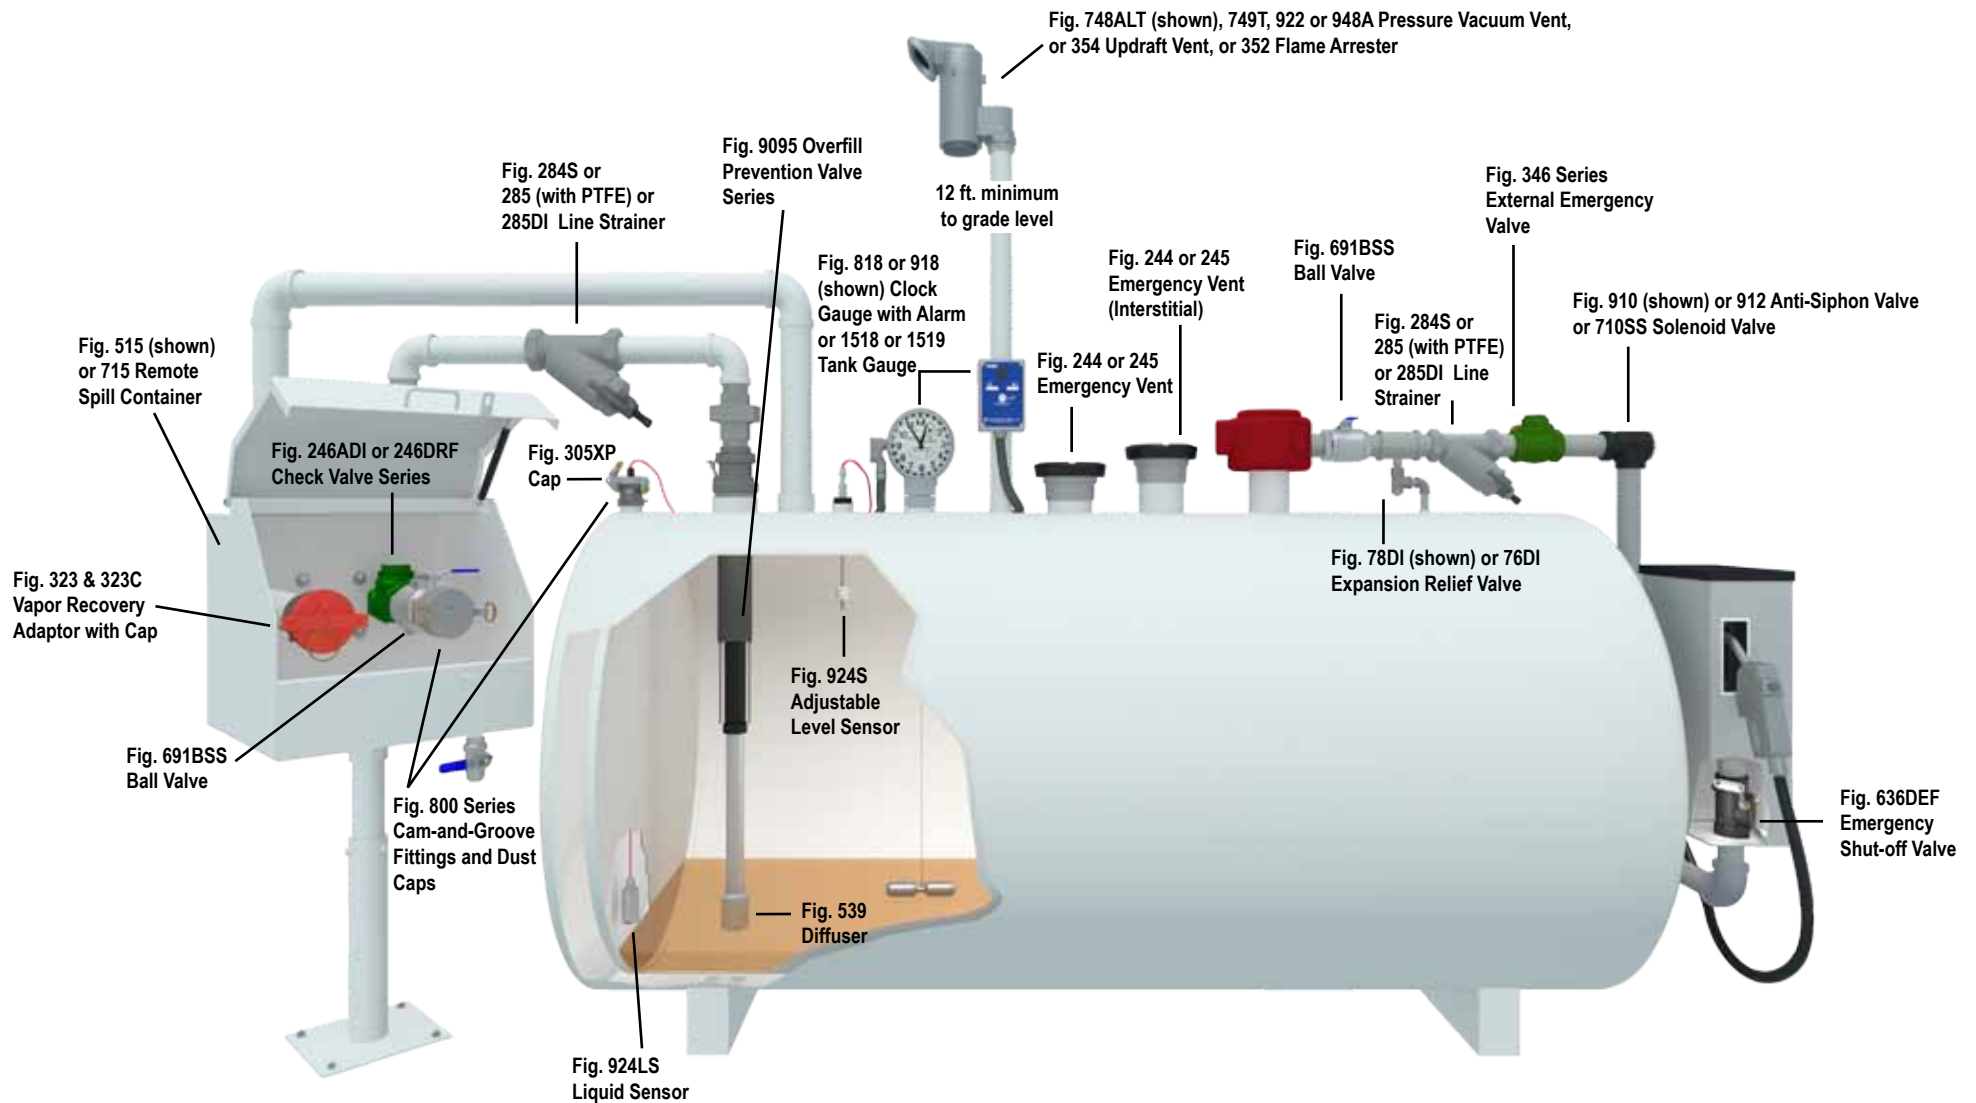

... and other Morrison products.

The enclosed tank diagrams can be referenced in completing the application process!
